Dear CCACC Newsletter Sponsor Prospect:

We invite you to support the Chester County Antique Car Club's News & Views monthly newsletter via an annual sponsorship.

Our club's monthly newsletter is sent to approximately 130 members and sponsors January through November each year. Sponsorship consists of the options listed on the back of this form for 11 months in the newsletter of which you will receive a mailed copy, a link on our website sponsors page at <https://ccacc.club/sponsors.php>, and call outs on our Facebook page at <https://facebook.com/ChescoAcc> where we have about 480 followers currently.

Additionally, we'd be happy to try and organize bringing club cars to any events you may have or perhaps support a Cars & Coffee style event. If you are running a promotion and wish to have us post it on our Facebook Page, please contact me, and I will gladly do so. We're open to ideas on how to partner with you!

If you wish to be a sponsor, please complete and return this letter with the form on the back filled out, your check in the amount for the option(s) chosen, and a copy of your ad/logo/business card if you chose that option. Please make the check payable to CCACC and remit to the address at the top of this form. You can also email the ad copy, to my email address below, if you wish.

Feel free to call or email me with any questions.

Thank you for your support,

David Hibshman
